Developer & Publisher Lion Kingdoms and Castles is a Strategy game, developed and published by Lion Shield, LLC, which was released in 2017.. Jul 24, 2017 @ 6:47am Please allow us to change keys At least AZQW keys, because every AZERTY keyboard users (France, Germany, Belgium and probably other countries) can't really play with current controls and that's quite sad as we also love your game and would really like to.. Your kingdom must survive a living and dangerous world Do the viking raiders make off with your villagers? Or are they stopped, full of arrows, at the castle gates? Does a dragon torch your granary, your people dying of starvation in the winter, or are you able to turn the beast back? The success of your kingdom depends solely on your skill as a city and castle planner. [Norton Power Eraser For Mac Free Download](#)
